### Dear Friends,

As you know, one of my important duties as your Congressman is to update you on what is happening in Congress, so that you stay informed about issues important to you. It is also important to know where you stand on the issues facing our nation.

For this reason, I urge you to join other New Jerseyans from the Thirteenth District in signing up for my e-mail newsletter. These periodic updates will highlight current issues and upcoming events, as well as keep you posted on my work. The newsletters will also provide you with online survey questions. Constituent input is a vital component of the legislative process and I look forward to hearing your thoughts on the issues of the day.

I hope you will enjoy the new e-mail newsletter and feel free to forward them to other interested individuals. I look forward to your participation in this process.

Sincerely,

Robert Menendez  
Member of Congress
